

RANJITHA V

Aspiring Java Developer | Chennai | 9092156684 | ranjithavenkadesan06@gmail.com
LEETCODE: [Ranjithavenkadesan](#) | GITHUB: [ranjithavenkadesan](#) | LINKEDIN: [ranjithavenkadesan](#)

SUMMARY

Fresher with a strong foundation in Java programming, data analytics, and problem solving. Experienced in data handling and actively involved in leadership and team activities. Eager to learn new technologies and contribute effectively to a software development team.

EDUCATION

Prince Dr K Vasudevan College of Engineering and Technology
Shri Venkateshwara Higher Secondary School, Chennai, TN

B.E. – Computer Science and Engineering | CGPA: 8.9/10
Class XII – 87.5%

SKILLS

Programming Languages: Java, C, Python

Tools : Git, GitHub, Figma, Power Bi

Areas of Interest: Data Analytics, Software Development

Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks.

PROJECTS

STUDENT PERFORMANCE ANALYZER

- Developed a data analytics project to analyze student performance data and derive meaningful insights.
- Performed data cleaning and preprocessing using Python and Pandas to improve data quality and consistency.
- Created interactive visualizations such as bar charts and pie charts using Power BI/Matplotlib to present insights effectively.
- Analyzed trends and patterns in student performance across different subjects and attendance levels.
- Generated reports and dashboards to support data-driven decision-making and performance evaluation.

TO-DO LIST WEB APP

- Developed a dynamic To-Do List web application with CRUD functionality.
- Enabled users to add, update, and delete tasks efficiently.
- Designed a responsive and user-friendly interface.
- Enhanced user experience with real-time task updates.

INTERNSHIP

Data Analytics Internship – Adventure Technology (2025):

- Worked on data processing, cleaning, and visualization of datasets.
- Applied analytical techniques to extract meaningful insights from data.
- Supported data-driven decision-making through analysis and reporting.
- Gained hands-on experience with data handling and visualization tools.

EXTRA-CURRICULAR-ACTIVITIES

Chairperson – Web Nexus Club

- Led and managed the Web Nexus Club, handling both technical and non-technical activities.
- Organized and conducted workshops on HTML, CSS, and JavaScript.
- Coordinated hackathons, coding competitions, and technical events.
- Promoted learning and skill development in web technologies through club activities.

Volunteer – National Service Scheme (NSS)

- Participated in community service and social outreach activities.
- Contributed to awareness campaigns and cleanliness drives.
- Developed teamwork, leadership, and communication skills through volunteering initiatives.
