[LinkedIn](#) | [LeetCode](#)

PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student with strong problem-solving skills and a solid foundation in programming. Proficient in Python, C, and SQL, with a keen interest in software development and data structures. Actively honing competitive programming skills on platforms like LeetCode to build efficient and scalable solutions.

EDUCATION

Prince Dr. K. Vasudevan College of Engineering and Technology

Chennai, TN

Bachelor of Engineering in Computer Science and Engineering

CGPA: 7.3

Brilliant Matriculation Higher Secondary School

Madipakkam, Chennai

Higher Secondary Certificate (HSC)

12th Mark: 70%

10th Mark: All Pass

TECHNICAL SKILLS

Programming Languages: Python, C

Database Management: SQL (Structured Query Language)

Core Subjects: Data Structures, Algorithms, Object-Oriented Programming (OOPs), Operating Systems

Languages: English (Professional), Tamil (Native)

PROFILES & COMPETITIVE PROGRAMMING

- **LeetCode:** Actively solving problems related to Array, String, and Linked List to improve algorithmic thinking.
- **LinkedIn:** Open to networking and exploring opportunities in the software engineering domain.

ACADEMIC INTERESTS

- Software Development Life Cycle (SDLC)
- Database Design and Optimization
- Automation using Python
